MAKE SOME SUNSHINE

Decorate, color, put your name on the sun, and write down all the things you would like to do, see, and experience over the summer inside this jar. Share and hang it on your wall as a reminder. Sunny days are heading your way!

Ask a grown-up to help you. Works best when printed on a heavier sheet of paper made for your printer. Do not use any type of adhesive that will leave marks or damage existing surfaces.
MINI SUMMERTIME KEEPSAKE BOX

Store special items you have collected over the summer in this mini box. Cut out and tape or glue your box together.

INSTRUCTIONS:

STEP 1  Cut out box top, box, and dividers along solid lines
STEP 2  Fold in tabs on box and box top
STEP 3  Tape or glue
STEP 4  Fold dividers in half along dotted lines
STEP 5  Cut a slit along solid lines
STEP 6  Connect pieces to form an “X”
STEP 7  Place inside box

Ask a grown-up to help you. Works best when printed on a heavier sheet of paper made for your printer.
INSPIRATION BOARD – BASE

Create a collage of all the things that inspire and bring you happiness.
Then hang it up and let your personality shine.

MATERIALS:

For the base, use a bulletin board, a thick piece of construction paper, or wrap a flat piece of cardboard with your favorite wrapping paper or fabric. Inspiration includes favorite photos of your family, friends, places, and pets. Magazine clippings of food, music, fashion, words and swatches of your favorite colors or fabric works great too! You’ll also need scissors, tape, and glue.

Build your board a few images at a time or all at once—it’s up to you!

INSTRUCTIONS:

STEP 1 Affix your covering to your board and let it dry
STEP 2 To decorate, tear, or cut out your favorite things
STEP 3 Place all of your images where you want them
STEP 4 Tape, glue, or pin your images to your board
STEP 5 For added fun, add on stickers from the following page
STEP 6 Hang up your inspiration for all to see
STEP 7 Add more images to your board when you find other things that inspire you

Ask a grown-up to help you. Do not use any type of adhesive that will leave marks or damage existing surfaces.
INSPIRATION BOARD – STICKERS

For even more fun, add these stickers to your inspiration board. Color, cut out, and tape or glue them to your board.

Ask a grown-up to help you. Works best when printed on a heavier sheet of paper made for your printer. Do not use any type of adhesive that will leave marks or damage existing surfaces.

FLIP BOOK – FACES

Make your own book of funny faces. Draw, cut out, and create.

MATERIALS:
Letter-size paper, a hole punch, scissors, coloring tools and 3 book rings or a 3-ring binder made for 8.5" x 11" sheets of paper.

INSTRUCTIONS:
STEP 1 Fold 8.5" x 11" sheet into 3 even sections to create guidelines for cutting
STEP 2 Section 1 – draw eyes, section 2 – draw a nose, section 3 – draw a mouth
STEP 3 Continue to create several different drawings for each section for a variety of choices
STEP 4 Cut each sheet completely along each guideline
STEP 5 Punch a hole in the center of each section about 1/2" in from the left
STEP 6 Put each section on their own ring or on a ring in a binder
STEP 7 Flip through sections to make a variety of faces and get ready to laugh
STEP 8 Experiment with other versions by drawing a head, body, and legs or use clippings from old magazines

Ask a grown-up to help you. Works best when printed on a heavier sheet of paper made for your printer.
FLIP BOOK - ANIMATION
Make your own animated book.
Draw, cut out, and create.

MATERIALS:
A pad of sticky notes or a stack of index card, a binder clip or rubber band to bind the book, coloring tools and a fun idea.

INSTRUCTIONS:
STEP 1 Page 1- create a book cover and name your flip book, for example “My Happy Face” flip book
STEP 2 Page 2- start by drawing a simple but small image in the upper or lower right corner of the page, like a circle
STEP 3 On the following pages, repeat the same image and placement with a slight change in movement, like lengthening the mouth
STEP 4 Each page with the drawing must have a slight change in order to show movement
STEP 5 The more pages the better the animation
STEP 6 When it’s complete, bind the book if you’re not using a sticky note pad
STEP 7 Flick the pages in the direction of your animation
STEP 8 Have fun and experiment by creating more detailed drawings and pages

flick pages in the direction of your story to see animation

INSTRUCTIONS:
STEP 1  Cut out along dotted line  STEP 4  Bring in tip of each numbered corner to the center
STEP 2  Color back side of paper  STEP 5  Take your push pin and push through the center
STEP 3  Cut out slits from each corner  STEP 6  Using the same pin, push into the pencil eraser

Ask a grown-up to help you. Works best when printed on a heavier sheet of paper made for your printer.
BARBIE™ SUNCATCHER

Capture the rays of the summer sun.
Make this colorful decoration for a sunny window.

MATERIALS:
Two pieces of construction paper in any color, a variety of brightly colored tissue paper, adhesive back plastic, tape, glue, pencil, hole punch, scissors and ribbon.

INSTRUCTIONS:

STEP 1 Fold two pieces of construction paper in half and draw half of a heart on one side, then cut out.

STEP 2 Keep hearts together and fold in half again. Draw a line about a half inch from the edge, then cut out to create two heart-shaped frames.

STEP 3 Cut the tissue paper into small shapes.

STEP 4 Cut a square of sticky back plastic larger than the shape of your heart, then peel off backing so the sticky side is face up.

STEP 5 Stick down the sticky back corners with tape to temporarily hold in place.

STEP 6 Place the first heart frame, pencil marks facing down onto the sticky back.

STEP 7 Fill the inside of the heart with tissue paper pieces making sure to fill in all the gaps.

STEP 8 Glue down the second heart frame over the first frame and cover with another piece of sticky back plastic, trim off excess plastic.

STEP 9 Make a hole punch in the top center of the heart frame and loop a ribbon through the hole and tie ends together. Hang and enjoy!

Ask a grown-up to help you. Structure works best when printed on a heavier sheet of paper.

BARBIE™ THEATRE

Invite your friends and family. Put on a show with your Barbie™ and doll friends. Decorate, color, and follow the directions below.

MATERIALS:

Have a grown-up help you. You will need a cardboard box large enough to cut out a window one foot tall, string to hang curtains, and lightweight fabric for the curtains. To build the structure, you'll also need scissors, tape, and glue.

INSTRUCTIONS:

STEP 1  Back of box - remove all but one flap from the box, lay flat for some support

STEP 2  Front of box - remove half of the top and bottom flap and leave two small flaps equal in length to the top flap

STEP 3  Tape the top flap down to the main frame of the box

STEP 4  Make a small hole the size of a hole punch in each side flap and fold into front of theatre

STEP 5  Curtains - cut your lightweight fabric into two even pieces

STEP 6  Lay out a single string on top of the fabric and loop fabric around string, then glue and dry, allowing you to open and close the curtains

STEP 7  Once your curtains are dry, loop the string through the holes in the side flaps and secure with a knot

STEP 8  Now you're ready for opening night!
