Hi Friends!

I had an exciting time with my sisters, Skipper™, Stacie™, Chelsea™, and our adorable puppy friends in our new movie, Barbie™ & Her Sisters in the Great Puppy Adventure!

We stumbled upon an unexpected mystery and adventure when we returned to our hometown of Willows. While going through Grandpa's attic, we discovered an old map that was believed to have led to a long-lost treasure buried somewhere in the town. With our puppies in tow, my sisters and I went on an exciting treasure hunt. Along the way we discovered the greatest treasure of all is the love and laughter we share as a family!

I hope you enjoy the adventurous activities and don't forget to share them with your friends! For more fun, ask your parents if you can visit my website [Barbie.com](http://Barbie.com).

Xoxo  
 Barbie™
