

# Pop Star Paper Mic

Create your own pop star mic, so you can practice your performance skills and let your inner sparkle shine!

## Instructions:

1. Cut pieces along SOLID lines.
2. Fold along DOTTED lines. Fold and glue tabs in number order.
3. When each glued piece is dry, glue the pieces together, matching colors.
4. Let dry.
5. Rock out!

Your microphone will look like this:
